## Meer mogelijk met Voetbalkleding

The foundation “Meer mogelijk met Voetbalkleding” provides financial contributions to activities for children / young adults up to the age of 30 with a physical and / or mental disability. We also give away wish boxes with football items to these children and people in Belgium and the Netherlands. An activity could be, for example, a day of swimming, visiting a football match or a visit to the zoo. Our wish boxes are filled with football items from football clubs, often that is a (signed) football and a piece of clothing, a cap or other fan articles. Since 2019 we have already financed dozens of outings and awarded more than 250 wish boxes. Everyone was always very surprised and happy. We hand out a voucher (in case of outings) and wish boxes by bringing them ourselves, organize pick-up times or send them by post. The contents of the wish boxes are always a surprise to these people.

## How does the foundation get its money?

Many professional football clubs donate items (both football boots, goalkeeper gloves, match and/or training clothing and/or footballs), which we can sell in our webshop. Sometimes we pay a lower price than usual. Private individuals occasionally donate something. With the proceeds that result from this, we finance outings and wish boxes for the target group. Occasionally donated items are given away directly in a wish box or players and trainers sign items for these purposes.

## How do I request an outing or wish box?

To request an outing or wish box for someone with a disability you know, first surf to our website. Here you can find the conditions and criteria as well as the available clubs for the wish boxes. If you want to register someone for an outing or wish box, send an e-mail with all the necessary information (see site). Outings and wish boxes can be used by both private individuals, healthcare authorities such as G-sport teams are requested. The conditions for this can be found on our website (only in Flemish/Dutch language).
